THE HEALING YOU DESIRE

ABOUT TEHSEEN INDUSTRIES

Tehseen is the company having a rich back ground in Tibb, over half a century. Established in 1976, the Company has played a pioneering role in re-establishing ancient knowledge with modern research and manufacturing techniques. Tehseen understands the art of imitating nature in a right way. We work on to provide modern dosage forms, flavors, textures and efficiency by staying close to the nature in a best way possible.

We are operating as one of the largest companies of Pakistan of its own type. In the supervision of a renowned personality, Professor Hakeem Tehseen, and our dynamic new sensation Dr. Waqar Tehseen, we continue to flourish in all dimensions.

Research from the very first day have been the backbone of our company and we invest significantly in it. Though Tibb is perceived as a traditional way of treatment by many but at Tehseen we have always used best available technologies to shape our products.

Our Vision

At Tehseen we are committed to serve nature by preserving its organic properties and elevating the physical ones. Achieving global wellness with our research and dedication to improve and heal the lives of our consumers.

Our Mission

To be globally recognized in herbal health and its related spheres with our products and services which is based on our brand equity, vast experience, core knowledge and modern manufacturing.

We want to discover, develop and successfully market innovative products to prevent and cure diseases to ease sufferings and to enhance the quality of life.

In addition we have a strong commitment, with responsibilities not only to our employees but also to millions of people nationwide and around the globe who use our products.
